CAREER OBJECTIVE

Second-year B.Tech student in AI/ML at SIET Panchkula with hands-on experience building and shipping full-stack web applications. Works AI-native using Antigravity IDE, Claude, and GitHub Copilot as part of everyday development. Co-Founder and President of AUTONEX; led teams to 3rd place at BuildHub Hackathon 2026 and an inter-college web development competition. Selected in the Google Student Ambassador Program 2026 cohort. Eager to contribute to cross-functional Agile teams and deliver real customer impact.

EDUCATION

State Institute of Engineering & Technology (SIET), Panchkula
B.Tech in Computer Science Engineering (AI/ML)

2024 – Present
Kurukshetra University

TECHNICAL SKILLS

Languages	JavaScript (React.js), Python, C, C++
Frontend	React.js, Vite, Tailwind CSS, HTML/CSS
Backend	Node.js, Express.js, Flask (RESTful API design)
Databases	PostgreSQL, Supabase (relational) Firebase Firestore (NoSQL)
AI-Native Dev	Antigravity IDE, Claude Code, GitHub Copilot, n8n
DevOps & Tools	Git, GitHub, Vercel (CI/CD), VS Code

PROJECTS

Internly — Internship Aggregator + Neo-Brutalist Kanban Dashboard <https://internlyeta.vercel.app>
2025 – Present

- Built a full-stack automated internship aggregator scraping Internshala, LinkedIn, Wellfound, Unstop, and Cutshort.
- Node.js pipeline with Cheerio, a relevance scoring engine (0–10), and student-friendly blacklist filter; batch upserts to Supabase via deterministic SHA-256 UUIDs.
- React.js Kanban dashboard with real-time Supabase sync, ATS matching, search, filters, and offline demo mode.
- Built AI-native using Antigravity IDE and Claude across the full stack.

KrishiVision — AI Crop Disease Identifier | BuildHub Hackathon 2026 | 3rd Place 2026

- Led a cross-functional team to design and ship an AI-powered crop disease classifier end-to-end.
- React.js frontend consuming a Flask REST API backed by MobileNetV2 trained on the PlantVillage dataset.
- Firebase Firestore (NoSQL) and Firebase Storage for data persistence and image handling.
- Managed team execution, UI/UX direction, and Firebase integration; secured **3rd place** at BuildHub Hackathon 2026.

TPC Web Portal, SIET Panchkula <https://siettpo.vercel.app>

2025 – Present

- Built and deployed the official Training & Placement Cell portal for SIET Panchkula.
- React.js SPA with Tailwind CSS and Vite; fully responsive, live in production on Vercel.
- Actively maintained by me and the development team; continuously updated with new features and placement data.

SIET Official Website | Institutional Production <https://sietpanchkula.ac.in>

2025 – Present

- Contributed to the design, feature definition, development, and deployment of SIET's official institutional website, live in production at sietpanchkula.ac.in.
- Defined core functionalities and information architecture; collaborated across teams to align the platform with institutional requirements.
- Actively maintained by the development team; continuously iterated on UI, content structure, and performance.

POSITIONS OF RESPONSIBILITY

Co-Founder & President, AUTONEX

2024 – Present

Robotics & Automation Club, SIET Panchkula

- Co-founded SIET's first officially recognized Robotics & Automation Club (~40 active members).
- Drove technical direction; organized workshops, design competitions, expert lecture series, and hackathon teams.

Training & Skill Development Coordinator, TPC

2025 – Present

Training & Placement Cell, SIET Panchkula

- Coordinate skill development and training programs for students across batches.
- Built and actively maintain the official TPC web portal in production.

ACHIEVEMENTS & EXTRA-CURRICULAR

- **Google Student Ambassador** — Selected for the 2026 Cohort
- **3rd Place**, BuildHub Hackathon 2026 (KrishiVision, AI/ML web app)
- **3rd Place**, Inter-College Web Development Competition 2026 (SIET Website Redesign)
- Applied for Google Summer of Code 2026 (C2SI B0Bot, LangChain/LangGraph)
- Applied for Google Developer Groups (GDG) on Campus chapter at SIET

I hereby declare that the information provided above is true and correct to the best of my knowledge.
